KEY PROJECTS

Info-Hub Student Portal
(HTML, CSS, Java, MySQL)
Designed a clean, typography-driven website centralizing student organization information.

AI Freshness Detector App
Built an ML-based mobile app with an intuitive, user-centric interface.

Wedding Invitation Website
Designed a wedding invitation with a newspaper style according to the client wants.

PROFESSIONAL SUMMARY

Creative video editor and CS graduate (Magna Cum Laude) with experience producing short/long-form content for social media and events. Proficient in CapCut (hooks, retention pacing) and AI tools (Higgsfield, Kling, Runway, ElevenLabs). Skilled in Canva, AI prompting, and 2 years of social media management.

PROFESSIONAL EXPERIENCE

Freelance Video Editor & Media Manager
Freelance
2026 - Present
- Create short/long-form videos (Reels, TikToks, Shorts, YouTube) and talking-head/storytelling edits. Utilize AI-Assisted Editing (Higgsfield, Kling, Runway, ElevenLabs) integrated with CapCut. Execute Graphic Design in Canva. Manage social media scheduling/engagement with trend-aware typography & captioning.

Social Media Manager & Video Editor
Supreme Student Council - NISU Main Campus
2024 - 2026
- Edited short-form and event video content, including LED wall visuals and recap videos for major university events. Managed content, captions, and graphics across platforms for 2 years. Built reusable Canva templates.

Graphic Designer
Freelance
2024 - 2026
- Developed eye-catching graphics for university events, enhancing brand visibility.
- Collaborated with cross-functional teams to deliver cohesive visual communication.
- Conducted workshops on graphic design tools for fellow students and faculty.
- Received positive feedback for creativity and responsiveness to design briefs.

CONTENT & PORTFOLIO

Admin & Records Support Intern
Registrar's Office, Northern Iloilo State University
June 2025 - July 2025
- Managed high-volume student inquiries and administrative tasks. Encoded and maintained accurate records in database systems — transferable to organizing media files and project assets.
